2. CA Whole of Government Approach
### Op ATHENA – JTF Afghanistan

#### Facts

- Conducting population-centric Counter Insurgency
- 2832 military personnel committed today
- Canada is 6th largest of 43 troop contributors
- Canada responsible for critical counterinsurgency mission around Kandahar City
- Canadian Task force commanding three US units and fourth in April, largest foreign command of US soldiers since WW2
- Integrating Whole of Government efforts

#### Results for Canada

- Canada is a very well respected and extremely capable ISAF coalition partner
- Canada’s substantial efforts in Kandahar have set the conditions for successful coalition surge operations in 2010 and 2011
- Canada is seen as an innovative leader in counterinsurgency stabilization operations
Canadian Forces’ Success in Afghanistan

• Spearheaded the population centric approach to COIN ops

• “Held the vital ground” in Kandahar province

• Lead the mentoring effort for the ANA in Kandahar province
Op ATHENA - Mission Termination

• GOC Direction
  • GoC will end its presence in Kandahar as of July 2011… the
    redeployment of Canadian Forces troops … will have been
    completed by December 2011

• CDS Direction
  • The CF will end its current mandate and conclude military operations
    in Kandahar by July 2011 and redeploy to Canada NLT December
    2011

• CDS Intent
  • To continue full spectrum security operations, in support of ANSF
    capacity building and the broader WoG mission, while maintaining a
    robust Canadian Leadership presence within assigned areas in
    RC(S) until NLT July 2011 and then withdraw forces …. By
    December 2011.
We will not forget them...
